

## STAGGERED COLLECTION ARRANGEMENTS FOR MÚINTEOIR OLIVIA'S CLASS FROM MARCH 1<sup>ST</sup>

Dear Parents,

In order for us to comply with Department of Education guidelines we are introducing a new collection arrangement for the infant classes.

Collection times will be staggered to avoid congestion at the school gates.

Please read the arrangements below carefully.

Collection Time for Múinteoir Olivia's class	1:35 pm
If you collect your child from the Cronan side	Please wait outside the school gates in a socially distanced way. Your child will be brought to the gate by a staff member
If you use the back gate of the school (GAA side)	Please wait outside the school gates in a socially distanced way. Your child will be brought to the gate by a staff member.
Collection on time	It is <b>very</b> important that all pupils are collected on time in order to avoid gatherings at the gate areas

**Brothers or sisters in another Junior or Senior Infant Class: These may be collected at the same time.**
