Special Fundraiser for Gorodische Orphanage: School SNA Rosie Byrne is doing a special fundraiser for the Shannon Millennium Project at the Gorodische Orphanage. The school has had staff and former pupils visit the Orphanage and work there. We will be inviting pupils, parents and staff to donate anything they can to support this very worthy cause. Thanks in advance. **PLEASE SEE FLYER BELOW**

Yours sincerely,

Principal

I'm shaving my head for Gorodishche Orphanage!

Hi my name is Rosie, I have travelled to Gorodishche every year for almost 20 years with the Burren Chernobyl Project. Unfortunately due to Covid I was unable to travel last year and again this year. I'm also unable to hold my annual coffee morning for the same reasons so this year I've decided to go way out of my comfort zone and shave my head! I miss the children dearly and hope this fundraiser will enable us to fulfill a longtime goal of mine to create a purpose built **sensory room** for them.

The town of Shannon has shown tremendous generosity over the years and your support is greatly appreciated, you can donate via the iDonate link below.
