

April 25<sup>th</sup>, 2022

Dear Parent/Guardian,

We are very happy to welcome 'The Lunch Bag' school lunch delivery service to St. Conaire's National School.

The service allows families the opportunity to provide their children with 5 different lunch choices in a week, with a choice from over 1,700 different combinations of high quality sandwiches, wraps, rolls, pastas, salads, noodles and snacks, for as little as €2 a day for a 3 piece lunch.

While the health benefits of a varied diet are immeasurable, the service has also proven to remove packaging from the macro retail supply chain by over 1,700% in one class alone, with a reduction in food waste in the home by over €400 a year.

Lunches are delivered for free into the classroom before the children arrive to school.

**All children in St. Conaire's National School will bring home an 'Intro bag' on Tuesday 26<sup>th</sup> April.**

First lunches will then be delivered on **Thursday 28<sup>th</sup> April.**

**Please remember to order before 12noon the day before you want lunch.**

Please note the school may not be available to view on the app until you receive this sample bag on launch day.

As the safety of children is of paramount importance, The Lunch Bag service ensures that any children with allergies will not be exposed to any product containing that allergen, with the kitchen a 100% nut free facility. This information is all available within the brochures, however, if you have any further queries, just call 043 33 62038 or email [info@thelunchbag.ie](mailto:info@thelunchbag.ie)

This is a fantastic opportunity for the school, and we look forward to seeing the benefits to both children and parents alike. Please take a few moments to review the attached brochure and register.
